C/007/0022 , Task #5314

Dear Mr. Haddock:

This letter is a request to extend the date for the midterm review response from March 20, 2017 to April 1, 2017. Dan Guy has apparently discussed the need for this extension with you on 3/13/17. It is our hope this extension can be approved. If you have any questions, or need additional information, please let me know.

Sincerely,

Garth Nielsen  
General Manager
