Dear Dr. Nielson:

In response to a letter dated May 4, 1987, from D. Wayne Hedberg, requesting comments by the Albuquerque Field Office (AFO) on an amendment to the permit of Andalex Resources, Wildcat Loadout, the AFO has no substantial comments concerning the proposed change in the sediment pond inspection frequency.

Thank you for the opportunity to review the amendment prior to its approval by your Division.

Sincerely,

Robert H. Hagen, Director
Albuquerque Field Office
