Attention: John Whitehead

Dear Mr. Whitehead:

Enclosed please find the vegetation inventory performed by Nick Van Pelt on the Wildcat loadout reference area. I have included two (2) copies, to be inserted into Appendix I at the end.

Also, attached are two (2) copies of an analysis performed by USU on the coal and boney material stored at Wildcat with reference to acid or toxic forming materials. Please insert this analysis into Appendix J under the acid/toxic heading.

Please call with questions or comments.

Sincerely,

Michael W. Glasson
Senior Geologist
Western Operations

Enclosure
