re: PRO 007/033 Wildcat Loadout

Dear Mr. Smith,

This letter is to advise you that the major earthwork for the enlargement of Sediment Pond E will be complete by the end of this month (September) as per our last request for an extension. There will be some "dress" work required before the job is final. We will have this final dress work completed by October 13, 1989. Thank you.

Sincerely,

Michael W. Glasson
Senior Geologist
