**DIVISION OF
OIL, GAS & MINING**

Dear Mr. ^{Rick} Smith,

Persuant to your instructions, Andalex by way of this letter is hereby requesting an extension of time to respond to those permit stipulations associated with our permit approval of May 5, 1989. We are requesting an extension until June 15, 1989. This should give sufficient time to respond adequately and we apologize for the delay.

Also, by way of this letter we are informing the division that a small concrete pad and shop will be erected as depicted on the enclosed drawing. This shop will be 40 feet by 40 feet and will be easily removed upon reclamation of the site.

Thank you for your patience; please call with any questions.

Sincerely,

Michael W. Glasson
Senior Geologist
