Attn: Richard Smith, Acting Permit Supervisor

Dear Dr. Nielson,

Attached is a signed copy of our recently approved Wildcat permit, PRO 007/033. We would like to take this time to thank you and your staff for your expeditious handling of this document and for your cooperation.

We are looking forward to working with you on the Smokey Hollow project in Southern Utah. With this same type of cooperative effort we will overcome any challenges which may arise there. There is an exciting future for all of us in Southern Utah.

Sincerely,

Michael W. Glasson
Senior Geologist
Western Operations
