RE: Sediment Pond E Enlargement, Technical Inspection,
Andalex Resources, Inc., Wildcat Loadout, ACT/007/033,
Folder #2, Carbon County, Utah

Synopsis

On September 19, 1989, the Division completed a technical inspection of the enlargement of Sediment Pond E. This sediment pond was found to be inadequately sized during the operator's recent permit renewal. This memo reviews the inspection.

Analysis

The operator was in the process of enlarging Sediment Pond E, using a backhoe, at the time of the inspection. The operator was following the approved enlargement plan and using appropriate construction techniques.

Recommendation

Complete a followup inspection following the completion of Sediment Pond E.
