Permit Supervisor

re: Amended Plates, ACT 007/033

Dear Ms. ^{Pam}Littig:

Enclosed please find two copies each of Plates 1, 2, 3, and 4. Plate 1 shows the haul roads as they exist within the permit area. The amended plate shows haul roads in front of the scale house, in front of the stoker coal pile and also on the west side truck loop. Plates 1 and 2 now also show the reject pile as it will exist on the west side. Plates 3 and 4 which are drawings of ponds A and B have been amended to show conveyor belting on the inlets for erosion protection rather than half-round culverts. All plates have been recertified.

Please call with any comments.

Sincerely,

Michael W. Glasson
Senior Geologist
