Mr. Lowell Braxton, Assistant Director
Utah Division of Oil, Gas, and Mining
3 Triad Center, Ste. 350
355 West North Temple
Salt Lake City, UT 84180-1203

Dear Mr. Braxton:

I understand that the Division of Oil, Gas, and Mining maintains a mailing list of parties interested in the on-going Andalex permit application. Communications with and dissemination of information to these groups is expedited because of their inclusion on this list. The Southern Utah Wilderness Alliance's demonstrated interest in this project warrants our inclusion on this list of interested parties as well.

We look forward to receiving all documents and correspondence pertaining to the on-going Andalex application as they are received at the Division, as well as Division responses to those correspondences.

Thank you for your cooperation.

Sincerely,

Ken A. Rait
