re: Permanent Impoundment; ACT 007/033

Dear Ms. Littig:

Enclosed are 4 copies each of replacement pages for the Wildcat Loadout MRP. Also enclosed are 4 copies each of replacement Plate 18.

These changes are the result of a reevaluation of the spillway design required on the permanent impoundment on the west side of Wildcat. We will be installing a dual spillway consisting of a combination culverts primary spillway and an open notch emergency spillway.

Please call with any questions.

Sincerely,

Michael W. Glasson  
Senior Geologist
