Re.: ACT 007/033, Permanent Impoundment

Dear Ms. Littig:

This letter is to inform the Division that because of inclement weather and frozen conditions, the construction work required on the permanent impoundment and the undisturbed diversion UD-1 are as yet incomplete.

It is Andalex's intention to complete this construction in the Spring of this year, as early as possible.

Please do not hesitate to call with any questions.

Thank you very much.

Sincerely,

Michael W. Glasson
Senior Geologist
