RE: Permitting Not Required by Blue Blaze Coal Company if Mountain Coal Company Shops are Purchased by Blue Blaze Coal Company but Permitting Required by Andalex Resources, Inc (Wildcat) for Same Shops, Blue Blaze Mine, PRO/007/020, Folder #2, and Wildcat Loadout Facility, ACT/007/033, Folder #2, Carbon County, Utah

A determination that permitting is not required by Blue Blaze Coal Company's Blue Blaze Mine for the Mountain Coal Company shops adjacent to the Wildcat Loadout Facility was made by Mr. Lowell Braxton on March 18, 1992 because "it is not juxtaposed to the mine". I notified Andalex Resources in November, 1991 that if they purchased these buildings adjacent to the Wildcat Loadout Facility they would need to be permitted, of which Mr. Braxton was in agreement.
