Dear Ms. *Pam* Littig:

In response to your letter of September 15, 1994, requesting additional verification of personnel changes at Andalex, I would like to request an extension to the October 14, 1994, submittal deadline .

I have been informed that the Environmental Subcommittee of the Utah Coal Operators is to be visited by personnel from AVS in Lexington, Kentucky, who will explain the program entirely. I would like to postpone Andalex's submittal until after this seminar which will be held in either October or November.

Thank you.

Sincerely,

Michael W. Glasson
Senior Geologist
