 Re: ACT 007/033, Wildcat Plates 1,2,5

Dear Ms. Littig,

Enclosed for your review are copies of revised plates 1,2, and 5 pertaining to surface facilities and drainage at the Wildcat Loadout. I believe all the items discussed in the field on March 9, 1994 have been corrected. If these drawings meet with your satisfaction I will have them recertified and provide the necessary number of copies.

Thank you.

Sincerely,

Michael W. Glasson
