RE: Updated Bond Amount - Permit Renewal, Wildcat Loadout Facility, Andalex Resources, Inc., ACT/007/033, Folder #4, Carbon County, Utah

The bond amount for the Wildcat Loadout Facility is \$813,795 in 1993 dollars. There is an amendment to the plan that is currently being processed, Expansion Project, ACT/007/033-94B, received March 31, 1994. The bond will be re-evaluated at that time and an escalation factor to increase the bond to 1999 dollars will also be added. Prior to approval of the amendment, the bond will need to be ridered to increase the amount. This is the reason that the bond was not evaluated at the time of the permit renewal.
