Re: C007/033, Wildcat Loadout, Revegetation Test Plots Study, 1997

Dear Ms. Burton,

The enclosed report was prepared by Mt. Nebo Scientific, Inc. in 1997. The report covers questions which you raised about methodologies for seeding, mulching and irrigation, as well as success rates.

Please contact either Patrick Collins or me with additional questions. Thank you.

Sincerely,

Michael W. Glasson
Operations Manager
