Dear Mr. Glasson:

The Division received your application requesting an approval of a 0.92-acre coal stockpile expansion area for the Wildcat Loadout on May 12, 2003 and sent you the deficiency on July 3, 2003. The response was due on November 3, 2003. We are returning the two copies that were submitted to our office. We look forward to receiving your revised plans.

If you have any questions, please call me at (801) 538-5268.

Sincerely,
