NOTICE

PacifiCorp has submitted an application for a Title V Operating Permit for its Huntington Power Plant source. The application has been reviewed by the Utah Division of Air Quality and a draft permit has been prepared. This draft permit, with support documentation, is available for public review and comment.

The Title V Operating Permits Program does not impose new substantive requirements on a source but does require that sources subject to the program obtain a renewable operating permit that clarifies, in a single document, which requirements apply to the source and assures the source's compliance with those requirements.

Review of the draft permit and support documentation is available by appointment only, between the hours of 8:00 a.m. and 5:00 p.m., Monday through Friday (excluding holidays) at the offices of the Division of Air Quality, 1950 West 150 North, Salt Lake City. To schedule an appointment during the comment period, please contact the Operating Permit section at 801-536-4000. The draft permit may also be viewed on the Internet at http://www.airquality.utah.gov/permits/pc_opp.htm.

Written comments will be accepted until 5:00 p.m., Monday, March 8, 2004. Comments may also be sent by E-mail to jhe@utah.gov. Comments should reference the permit number and should be mailed or delivered to:

Utah Division of Air Quality
1950 West 150 North P.O. Box 144820
Salt Lake City, UT 84114-4820

A public hearing may be held if a hearing is requested within 15 days of the publication of this notice and the request otherwise meets the requirements of Utah Code Annotated 63-46a-5(2)(b).

Additional information:
NAME AND ADDRESS OF PERMITTEE:

The permit area is shown on the Helper U.S. Geological map.

The Mining and Reclamation Plan is available for public review at the Utah Division of Oil, Gas and Mining, 1594 West North Temple, Suite 1210, Salt Lake City, Utah 84114-5801, and at the Carbon County Courthouse, Main Street, Price, Utah 84501.
