Re: Current Air Quality Approval Order Replacement, Wildcat Loadout, C/007/033, Outgoing File

Dear Mr. Glasson:

The Division received a copy of Air Quality Order DAQE-005-00 on July 3, 2003, in the midst of review of a stockpile amendment AM03A. The subsequent withdrawal of that amendment delayed the incorporation of the Air Quality Order until your recent application to reformat the MRP came under review. The Division has incorporated the Air Quality Order into Appendix B as directed by the C1C2 forms dated July 1, 2003 and is providing copies of this Air Quality Order to the BLM, OSM, and the Price Field Office for incorporation into their copies of the MRP

If you have any questions, please call Priscilla Burton at (801) 538-5288 or me at (801) 538-5268.

Sincerely,

Pamela Grubaugh-Littig  
Permit Supervisor
