Subject: Reconnaissance Inspection – Wildcat Loadout

Dear Mr. Glasson:

On June 16, 2005 I conducted a reconnaissance inspection, while already in the area, in regards to the Wildcat Loadout and UPDES Permit No. UTG040007. Specifically I observed the sediment ponds and outfall locations.

Enclosed is a copy of the inspection report for your records. If you have any questions regarding this inspection, please contact me at (801) 538-6779. You may also contact Mr. Lonnie Shull at (801) 538-6628 who is currently assigned to your facility for any UPDES related questions.

Sincerely,

Jeff Studenka, Environmental Scientist
