Re: MRP Rewrite, Wildcat Loadout, C/007/0033, Task ID #2089

Dear Ms. Littig:

Enclosed are 5 copies of the revised MRP Rewrite for the Wildcat Loadout. This submittal addresses the concerns outlined in your letter of February 17, 2005.

Per your suggestions we have attempted to make the plan more "user-friendly" and reduced the size by eliminating major "non-applicable" subsections. For example, the Table of Contents has been reduced from 50 to 15 pages, and Chapter 8 has gone from 18 pages to 3 pages. An effort has also been made to reference major sections of the plan that have been addressed in one location. An electronic copy of the plan and new maps is also enclosed, along with a C¹/C² Form.

Please note that the entire text is being resubmitted, along with Plate 1 and Appendix B. Previously submitted Plates and Appendices were not revised.

If you have any questions, or need additional information, please contact me.

Sincerely,

Michael W. Glasson
