RE: ACT007/033, Wildcat DO, Task #2182

Dear Ms. Grubaugh-Littig:

In order for ANDALEX to respond to the deficiencies in the above-referenced Division Order additional time is required to consult with Division staff to assure that the questions are addressed adequately and accurately. ANDALEX is hereby requesting a meeting with the Division staff to help us understand why certain practices which are standard in the industry are no longer permitted; specifically vacuuming of coal fines. ANDALEX requests this meeting as soon as the Division can arrange it; ANDALEX will be willing to meet either on site or in the Division's offices in Salt Lake.

This request for extension is subject to the arrangement of this meeting but in any case at least December 30, 2005.

Thank you for this consideration.

Sincerely,

Michael W. Glasson  
Manager of Operations
