Hi Dave,
Hope it is not too late, but you had sent in the binders with all the correct tab pages. I just had never incorporated them for you. I'm sorry, I just found a note while I was cleaning.

I am keeping the Confidential Binder with tab page and will incorporate that one today. We are sending the rest (one for MRP, Plates, and Appendices) of them back to you so you can have them for your next submittal.

Thanks
