RE: Andalex Resources, Inc.,
Wildcat Loadout, C/007/0033
Notice of Temporary Cessation

Dear Mr. Haddock:

This letter serves to provide notice that Andalex Resources has temporarily ceased operation of the Wildcat Loadout. The facility has been secured for safety, the buildings have been locked, and the electrical power has been pulled. Under contractual terms with the Intermountain Power Agency (IPA), the company is now preparing for the legal transfer of ownership of the facility, along with all attendant permits, licences, and rights-of-way, to IPA.

Should you have any questions regarding this cessation of operation, please feel free to contact me.

Sincerely,

David Shaver
Resident Agent
