I reviewed the O&C revised 6/15/2010 package (which you submitted to AVS on August 24, 2010). I also reviewed the company responds dated August 31, 2010 to your August 23, 2010 letter citing deficiencies in ownership and control.

I made most of the O&C updates in AVS based on the above-mentioned two packages. The following are the additional deficiencies that I found while reviewing and updating the O&C information:

1. AMERICAN COMPLIANCE COAL, INC. (151879)

AVS shows an end date of 2/23/01 for Robert E Murray as 100% shareholder. This record was entered by your Agency on 5/12/2010.

The 6/15/2010 package has end date of 6/1/2001. Which date is the correct end date?

2. ANCHOR LONGWALL AND REBUILD, INC (159144)

AVS shows P McGlilton is a director with begin date of 11/1/1999 and no end date.

His name is not disclosed in the 6/15/2010 package. Is P McGlilton no longer a director? If so, please provides an end date.

3. CANTERBURY COAL COMPANY (046893)

AVS has begin date of 1/10/03 and the 6/15/10 package has 1/2/03 for Robert L. Putsock as Assistant Treasurer. Which is the correct begin date?

4. CONSOLIDATED LAND COMPANY (159172)

AVS shows Robert Moore as an Assistant Secretary with begin date of 6/25/01. His name is not disclosed in the 6/15/2010 package as an Assistant Secretary. Is he no longer an Assistant Secretary? If so, please provides an end date.

5. OHIO AMERICAN ENERGY INCORPORATED

AVS has begin date of 12/5/07 and the 6/15/10 package has 12/1/07 for Stanley T. Piasecki as the Vice President. Which is the correct begin date?

6. UMCO ENERGY, INC. (128746)

AVS shows Ronnie Deltz as Vice President with begin date of 7/12/2010. His name is not disclosed in the 6/15/2010 package. Is he no longer a Vice President? If so, please provides an end date.

7. WYAMERICAN ENERGY, INC. (248933)

The August 31, 2010 company letter indicated that WyAmerican Energy, Inc. changed name to Murray American Energy, Inc. Please provide the name changed document and the effective date of the name changed.

I will make the final updates to AVS once I receive the answers to the above deficiencies.

Hi Linda,

I just wanted to follow up with you on the Wildcat O&C Updates. The company sent in some corrected information to deficiencies that I had previously noted. This information is attached for your review. Please let me know if you need anything else. We have some very anxious folks in our office that are curious to know if everything is good to go.

Thanks so much for your help!

Angela
