Pete,

I apologize for the delay. I had a discussion mid-last week with the folks preparing the documents and I was supposed to have a draft to review by yesterday (it did not arrive). I will continue to press them and hopefully have something to you by the end of the week.

I appreciate your patience in this matter. I can assure you I am pressing them for a document.

Thanks,
Lance

Lance...

Could you please find out what the status of the updated ownership and control information for the LADWP/IPA permit submittal is ? At this point, IPA is more than 90 days past due on this requirement (Special Condition 2 of Attachment "A" of the current Wildcat permit, issued 6/27/2011).

It is urgent that this information be submitted in order to avoid a compliance action.

Thank you.
