Dear Maung,

America West Resources, Inc. is the current operator of the Wildcat Load Out facility for the Intermountain Power Agency. According to IPA, IPA has informed the Utah Division of Air Quality (DAQ) of the ownership change and change of name of the holder of the Approval Order AO DAWE-AN0113007-04. DAQ acknowledged the changes in a letter to IPA on July 14 and in a corrected notice on August 11<sup>th</sup> of 2011. As per a request by Pete Hess of the UDOGM Price Field Office, could I please get a copy of this Approval Order for our files.

Please feel free to contact me with any questions.

Thank you,

John C. (Kit) Pappas
