Subject: Chapter 1 Revisions, Wildcat Loadout, Intermountain Power Agency,  
C/007/0033, Task ID #3943

Dear Mr. Hewlett:

The Division of Oil, Gas and Mining (the Division) has reviewed your Chapter 1 Revision amendment to the Wildcat Loadout MRP and has identified deficiencies that must be addressed prior receiving final approval. The deficiencies are listed as an attachment to this letter.

Each deficiency identifies its author's initials in parentheses in order to facilitate communication between your staff and the Division's if necessary. The plans as submitted are denied. Please resubmit the application by December 2, 2011.

If you have any questions, please feel free to contact Daron Haddock (801) 538-5325 or myself (801) 538-5350.

Sincerely,  
  
Steve Christensen  
Permit Supervisor

## **Deficiency List**

**Task No. #3943**

### **Chapter 1 Revisions**

The members of the review team include the following individuals:

Steve Christensen (SC)

Angela Nance (AN)

**R645-301-113:** The Permittee must remove the Andalex Resources LLC (and its affiliated entities) violation history from Appendix B Part B. The information is not longer valid. (SC)

**R645-301-114.100:** The Permittee must supplement the Right of Entry information in Chapter 1 page 1-9 with a description of the documents upon which the applicant bases their legal right to enter and begin coal mining and reclamation operations. The description will identify the documents by type and date of execution, identify the specific lands to which the document pertains, and explain the legal rights claimed by the applicant. The Permittee must also provide the date the transfer document was recorded with the Carbon County Recorders office and the corresponding page of entry. (SC)

**R645-301-112.330:** The Operator must submit a Secretary's Certificate with the end dates of the previous officers and directors so that the AVS can be updated to reflect only the officers and directors of Intermountain Power Agency. (AN)
