Hello Tom,

The Division received your application for the Wildcat Operator Change on 6/21/13. Pursuant to R645-303-221, the requisite 15-day Initial Review has been completed.

The Division is returning this application based on the following:

The C1 form has been signed and notarized by Dan R. Baker. The C1 form is required to be signed and notarized by a designated representative of the permittee, Intermountain Power Agency.

Also, additional information regarding the Operator is requested. If the Operator will be making decisions at the loadout which will effect the permit, officer information of the new Operator will be required.

If you have any questions, please call Daron Haddock at [\(801\)538-5325](tel:8015385325). Thank you.
