Amanda,

Thank you and all of DOGM's staff for meeting with me and other representatives involved with the Wildcat loadout such as Wild West and Bowie. I think the meeting was very informative and useful in addressing issues of concern. As discussed during yesterday's meeting, IPA is hereby requesting an extension until March 2, 2014 for submitting a revised Appendix P for review and approval.

Thank you for your consideration and please let me know if you have any questions.

Thanks,

Lance Lee

IPP Project Manager and Fuel Supply Engineer
