Operation Plan

Mining Operations and Facilities

Analysis:

The Permittee, Intermountain Power Agency, submitted an amendment application on February 18, 2014 (electronic submittal) to add a 40' X 10' mobile trailer to the surface facilities map and Chapter 5 Engineering section of the Wildcat Loadout mining and reclamation plan. A revised Plate 1, Surface Facilities Map, was submitted with the remainder of the amendment information having the correct pagination was submitted on March 6, 2014.

The new trailer is to be used as an office and change room for personnel associated with the bulk crude oil transloading operation.

MINING OPERATIONS AND FACILITIES

Regulatory Reference: 30 CFR Sec. 784.2, 784.11; R645-301-526, -301-528

Analysis:

Pages 5-30, 5-31, 5-60, and 5-68 of Chapter 5 have been revised to permit the addition of the 40' X 10' office / change room trailer in the text of the Wildcat mining and reclamation plan. Several minor changes were made to change the Permittee name from Andalex to IPA. These changes are listed below;

- 1) Page 5-30.....Office Trailer, with a description of its location in the text and a reference to its location on PLATE 1.
- 2) Page 5-31....."Andalex" is replaced by "IPA" in the discussion of "Temporary" Cessation of Mining Operations;
- 3) Page 5-31....."Andalex" is replaced by "IPA" in the discussion of "Permanent" Cessation of Mining Operations;
- 4) Page 5-60.... 40' X 10' office trailer is listed as item 23.
- 5) Page 5-68.....40' X 10' Office Trailer is listed as item 22.

These text revisions are minor and should be approved as submitted.

Maps Facilities

Analysis:

The Task ID # 4511 application contains a revised PLATE 1, WILDCAT LOADOUT / EXISTING SURFACE FACILITY MAP, which shows the proposed location of the 40' X 10' trailer which is to be used as an office / change room. The trailer is shown as being set immediately behind the West Side Control Building.

Plate 1 is P.E. certified by Mr. J. Thomas Paluso, Utah registered professional engineer. Plate 1 has been corrected and has been re-submitted with the corrections listed above. The location for the trailer which is being permitted is recommended for approval.
