Hello Daron,

I just left a voicemail but I also wanted to follow up so you have my contact information. As mentioned, I have taken over Aaron Perlman's role for Intermountain Power Agency and I apologize for the delay my transition has caused. To streamline future communication, if you would kindly update your records with my information it would be appreciated.

I would also like to request an extension for our application resubmission, with a due date of October 6, 2017. Please let me know if this is feasible and do not hesitate to contact me for any questions.

Warm regards,
