RE: Status Wildcat Loadout, C007/033

All diversions and culverts were clean (Spring Cleaning). Roads were graded as needed. The perimeter fence was repaired as needed and inlet ditch to Sediment Pond F was Clean Out. Permittee is waiting for a non-windy day to burn tumbleweeds.

No amendments in the near future.

No construction activities, repair work only

The First Quarter Sediment Pond and Refuse Pile inspections were conducted on February 14, 2020.
