RE: Permitting of Coal Loadout at Banning

Dear Mr. May:

Enclosed please find the Coal Preparation and Loadout Reclamation permit application for the above facility. It is my understanding that you will set up a conference to establish the guidelines to approve the loadout.

I look forward to your assistance in this matter.

Very truly yours,

  
Michael J. Van Wagenen  
Vice President

APPENDIX 1

Savage Coal Service Corporation, ("Savage"), doing business as Coal Service Company, has a coal transportation contract with Soldier Creek Coal Company ("Soldier Creek"). Although Soldier Creek maintains a right of way for the road and loadout with the surface owner, Savage owns all of the coal handling equipment at the Banning Facility. Soldier Creek has requested that Savage secure the permit for Banning.
