Re: Response to Deficiency Review, Soldier Creek Coal Co.  
Banning Siding Loadout, PRO/007/034, Folder #2,  
Carbon County, Utah

Dear Mr. Allen:

After reviewing the above referenced documents, provided to me by Susan Linner, of the Division of Oil, Gas & Mining, the only part of the plan that would involve this Division, pertains to the comments on page 5-15 concerning the monitoring wells. If they become necessary, permission must be received from the State Engineer prior to their construction.

If you have any questions concerning this item, please feel free to contact me at your convenience.

Sincerely,

Mark P. Page  
Area Engineer
