Dear Mr. Olsen:

Re: Banning Loadout, PRO/007/034, Carbon County, Utah

On behalf of my staff, I would like to thank you for the well organized and detailed Mining and Reclamation Plan recently submitted by Soldier Creek Coal Company for the Banning Loadout facility. The willingness of Tom Paluso and Chris Allen to work positively with the Division staff in the preparation of the application is appreciated and should result in enhanced permitting efficiencies for both of our organizations.

Best regards,
