RE: As-Built Review, Banning Loadout, Soldier Creek Coal Company, ACT/007/034, Folder #2, Carbon County, Utah

The As-Built for the Banning Loadout Facility, submitted April 21, 1989, have been reviewed against the concern previously outlined in my March 17, 1989 memo. The surface facilities map, exhibit 2.1-2, delineates the substitute topsoil test plot location. Final approval is recommended.
