Dear Mr. Paluso:

Re: Deficiency Responses, Banning Loadout, ACT/007/034, Folder #2,
Carbon County, Utah

The Division has reviewed Soldier Creek Coal Company's deficiency responses to our April 3, 1989 review of the Banning Loadout Facility's as-built plans.

All responses have been found to be adequate and the Mining and Reclamation Plan can be considered to be complete and finally approved.

Thank you again for your cooperation.

Sincerely,

A handwritten signature in cursive script that reads "Susan C. Linner".
