RE: Revisions to Surface Facilities Map, Banning Loadout  
ACT/007/034  
Carbon County, Utah

Dear Daron:

In response to the June 14, 1991 partial inspection of Banning, the enclosed surface facilities map has been revised as requested by Steve Demczak. A noncertified copy, showing the revisions, was previously submitted to Steve to ensure that all his concerns were properly addressed before submission to the Division.

If you have any questions, please do not hesitate to contact me.

Sincerely,
