*RE: Notice of Violation No. N92-15-1-1
Banning Loadout, ACT/007/034*

Dear Daron:

As per our telephone conversation today, I am requesting that the abatement time for NOV No. N92-15-1-1 be extended from November 16, 1992 to November 30, 1992. This extension is necessary for the completion of our runoff control design work, which may be more complex than originally expected. This extension will also allow us to coordinate our design efforts with the appropriate member(s) of your technical staff.

Sincerely,

SOLDIER CREEK COAL COMPANY
