RE: Banning Tramroad Right-of-way Utah 33855

Dear Mr. Mackiewicz:

Soldier Creek Coal Company would like to modify Tramroad Right-of-way Utah 3385 to allow us to lock the gates along Highway 50 & 6. As per our discussion on Monday, Soldier Creek feels that locking the gates is necessary to maintain security. Presently this road dead-ends shortly past the loadout.

Your help in this matter would be greatly appreciated and would allow us to satisfy the Division of Oil, Gas, and Mining. Please contact me if you need additional information.

Sincerely,

SOLDIER CREEK COAL COMPANY

J. T. Paluso
Chief Engineer
