Re: Updated Mining and Reclamation Plan, Soldier Creek Coal Company, Banning Siding Loadout, ACT/007/034, Folder #2, Carbon County, Utah

Dear Mr. FIELD(002):

Enclosed is one (1) copy of Soldier Creek Coal Company's revised Mining and Reclamation Plan for the Banning Siding Loadout. As part of the Permit Renewal process, the Division required Soldier Creek to reformat their plan to conform to the new R645 Coal Mining Regulations. The enclosed plan is the result of that requirement. This plan also contains corrections to a number of deficiencies identified during the October 1993 Permit Renewal. This reformatted plan supersedes the previous plan and is now considered the accepted plan. This is your file copy.

If you have questions, comments or need additional information, please contact me at your earliest convenience.

Sincerely,

A handwritten signature in black ink that reads "Daron R. Haddock".
