Re: ASCA/Exempt Areas Amendment Conditional Approval, Soldier Creek Coal Company, Banning Loadout, ACT/007/034-94B, Folder #3, Carbon County, Utah

Dear Mr. Olsen:

The above-noted amendment is approved with the following conditions:

- 1) ASCA #1: Install (and denote on Exhibit 7-1), the silt fence on both sides of the emergency spillway rather than across it;
- 2) Eliminate all reference to straw bales and silt fences as "Siltation Structures" and refer to them as "Sediment Control Measures"; and
- 3) Delete the reference to straw bales and silt fences as "Other Treatment Facilities."

Please submit 10 copies of the revised and corrected map and text by November 4, 1994. If you have any questions, please call me.

Sincerely,

A handwritten signature in cursive script, reading "Pamela Grubaugh-Littig".
