Re: Supplemental Submittal No. 2 -- Canyon Fuel Company, LLC  
Application for Transfer of Mining Permit No. ACT/007/034  
(Banning Loadout)

Dear Daron:

Please find attached hereto the above-referenced supplemental submittal. This submittal corrects the spelling of some of the Japanese names in the section addressing control persons, provides social security numbers missing from the original application, modifies the right of entry information consistent with your suggestions, corrects the effective dates identified for certain of the control persons, provides evidence of publication pursuant to Utah Admin. R645-303-322, and makes other minor corrections and additions to the transfer application.

To update the transfer application please make the following changes: (1) delete existing pages 1-7 through 1-19 and replace them with new pages 1-7 through 1-19; (2) delete existing pages 1-21 and 1-21a and replace them with new pages 1-21 and 1-21a; (3) delete existing pages 1-31 through 1-32 and replace them with new pages 1-31 through 1-32; and (4) place the Affidavits of Publication in Appendix 1.1.

With the exception of the Reclamation Agreement, this is the final supplemental submittal we anticipate before closing of the transaction in which the Coastal States Energy Company entities are merged into Canyon Fuel Company, LLC. Nevertheless, if you
