RE: As-Built Drawing and M&RP Text Changes Depicting Dugout Canyon Mine Sediment Pond Sediment Storage at Canyon Fuel Company, LLC Banning Loadout, ACT/007/034

Dear Ms. Grubaugh-Littig:

Please find enclosed with this letter five clean copies and three redline/strikethrough copies of text and Exhibit 5-2 of the Banning Loadout M&RP that describe and depict the storage location of sediment removed from the Dugout Canyon Mine Sediment Pond and stored at the Banning Loadout. Analysis of the sediment indicate the material can and will be used as substitute topsoil at final reclamation of the loadout. Submittal of the exhibit and text changes was required by the Division as part of the initial approval given to Canyon Fuel Company to move the sediment to the loadout.

If you have any questions regarding this submittal, please give me a call at (435) 448-2669.

Sincerely,

Chris D. Hansen
