Dear Mr. Olsen:

The Division received an application to cease monitoring of test plots on April 2, 2001. We anticipate completing this review by April 30, 2001. Paul Baker has been assigned as the team lead on this project. A copy is being forwarded to the Bureau of Land Management for their review and concurrence.

If you have any question, please call Paul at (801)-538-5261 or me at (801) 538-5325.

Sincerely,
