Dear Vicky,

Maybe the wrong 1-7 was sent to Utah. It is at the bottom of 1-6 and only has one name. According to my records Woodring is not an Alternate in Arch Coal Inc. I bet that is the only problem. Call or e-mail me when you get a chance to look at it. If it is the problem maybe you can just submit the additional page to Utah.

Larry's last updates were Aug 14, 2003.

Thanks.

Linda,

I don't know what the problem is, I checked the information I put in the Banning Permit revisions against the e-mail information you sent to me. Has Larry made additional changes since the 25th of September? I feel like I am trying to hit not just a moving target but a running target. My phone number is (435) 636-2869. My fax number is (435) 637-0109. Please fax me the list tomorrow, as early as possible. I have an inspection in the early afternoon tomorrow and will be out of the office until Monday. Thanks, Vicky

Dear Vicky,

I received o/c updates from Utah on the Banning Loadout Ch 1 Revisions from Angela Nance. I only found discrepancies in the Arch Coal Inc company structure. The discrepancy is that 15 people are left off of the o/c that was submitted to Utah verses the info currently contained in AVS.

I printed what is in AVS and I checked the ones that are matching. If you would send me your fax number I will send you the list I have marked to save yourself the time of matching what was submitted verses the list attached.

I also do not have your phone number.

Please get back with me as soon as possible so that we can fix the discrepancies. I will fax you what I have on file from Larry Emerson if you need it.

Thanks.

Linda
