Re: Compliance Review for Section 510 (c) Findings – Permit Renewal, Banning Loadout, Canyon Fuel Company, LLC, C/007/0034

As of the writing of this memo, there are no NOVS or COs which are not corrected or in the process of being corrected. There are no finalized Civil Penalties, which are outstanding and overdue in the name of Canyon Fuel Company, LLC. Canyon Fuel Company, LLC does not have a demonstrated pattern of willful violations, nor have they been subject to any bond forfeitures for any operation in the state of Utah.

The recommendation from the Applicant Violator System (AVS) dated October 23, 2003 denotes that all connected entities either do not have any civil penalties or are under a settlement agreement (attached).
