Subject: Conditional Approval of Confidential and Protected Information, Canyon Fuel Company, LLC, Banning Siding Loadout, C/007/0034, Task ID #2120, Outgoing File

Dear Mr. Sass:

The above-referenced amendment is conditionally approved upon receipt of five clean copies prepared for incorporation. The clean copies should include a change to the explanation page for the removal of the appendices, to include the removal of Figure 4-1. Also, please make sure the reference pages indicate that the information has been moved to the Confidential Binder located in the Public Information Center of the Division of Oil, Gas & Mining, Salt Lake City office. Please submit these copies by September 7, 2005. Once we receive these copies, final approval will be granted, at which time you may proceed with your plans.

A stamped incorporated copy of the approved plans will also be returned to you at that time, for insertion into your copy of the Mining and Reclamation Plan. No changes we made to the Technical Analysis.

If you have any questions, please call me at (801) 538-5268 or Dana Dean at (801) 538-5320.

Sincerely,

Pamela Grubaugh-Littig
Permit Supervisor
