RE: Sunnyside Project

Dear Pam:

This letter is to confirm the fact that I will be finalizing arrangements for a meeting between members of your office and Ed Barton and myself within the next few weeks to discuss Sunnyside Coal Corporation's Reclamation Permit No. ACT/007/007 as it relates to Sunnyside Cogeneration Associates plan to construct and operate the Sunnyside Project. I trust that there remains no outstanding issues related to the removal of the plant site from the above-referenced Reclamation Permit ACT/007/007 which was accomplished on June 29, 1988. Please do not hesitate to call me or Ed Barton if you have any questions.

Very truly yours,

CALLISTER, DUNCAN & NEBEKER
